The boxes are arranged in a 2x3 grid. The top-left box is labeled 'Author', the top-right 'Characters', the middle-left 'Most interesting character', the middle-right 'Setting', the bottom-left 'Event', and the bottom-right 'Message from the story'.

- Holidays are the best time for self practice and self improvement. You have to write a few lines about your day or week. If possible, capture a moment on camera and write about it. Take an image of any interesting activity that you enjoy like, watching a spider web in the garden, playing games or doing exercises with your sibling, any cooking activity, time spent with your grandparents etc.. You can share the photograph and record an audio/video while doing those activities. Share the same audio/video with your teachers through what's app.
